

SCHOOL ENTRIES

It is super simple to form a team for your school.

1. Email aucklandmarathon@ironman.com with your interest.
 2. We will create a Team/School group in our system.
 3. You will receive a confirmation email with instructions to finalise your schools entry.
 4. Students enter the event as per normal, but when it comes to the 'Team Information' section they select 'Join a Team' and enter the School/Team group.
- OR
- You can send them an invitation to join your team.
5. Download our simple, easy to follow training programmes.
 6. Print out the training programmes for students to take home and track their own progress.
 7. Create a class competition.
 8. Challenge kids to set a finish time for event day.
 9. Run and have fun on Sunday 29 October.

Turn it into a class competition or even a school competition as there is no restriction on how many students you can have in your team. If your school is super keen and have over 20 people however, your group will be eligible for the VIP treatment of bulk packing and collection of your race bibs. One member of the team will be able to come to registration and collect these on behalf of the team.

Please note if your team would like bulk bib packing and collection, you must let us know by **15th September 2017**.

Note: Students can join your team after this date however you cannot request bulk packing after this date.

Make sure to keep an eye out for details of purchasing a site at the finish line in Victoria Park to soak up the incredible atmosphere.
