ATHLETE INFORMATION GUIDE

Kia ora and welcome to the 2023 Barfoot & Thompson Auckland Marathon, the 32nd edition of this iconic event and we're no less excited to bring you this one than the first!

To those returning athletes, and in particular our Roadsters, welcome back, and to athletes new to the Barfoot & Thompson Auckland Marathon, we hope you have an amazing experience ahead of you.

As you take to the streets on Sunday 29th October, you will find yourself exposed to the diverse beauty and culture of Tāmaki Makaurau. You will be welcomed to an exclusive group to have conquered the Harbour Bridge by foot – the event being the only once-a-year opportunity to do so and offered only to those taking part.

Smashing goals is just part of the fun, we are overwhelmed by our athletes' contributions to all participating charities. Across our 12 Charity Superstar Partners and 86 charities of choice, we are well on our way to smashing our fundraising goal of \$600,000. This is an amazing contribution to so many deserving charities.

A huge thank you to the city of Tāmaki Makaurau, and all of our event partners for their continued support of this event. A big thanks also goes out to all our volunteers, who play a huge part in ensuring that this event is a great success year-after-year.

Please ensure you read this Athlete Information Guide thoroughly to prepare yourself for the big day and put yourself in the best possible position to achieve your running/walking goals.

Take to the streets, conquer the bridge, and run it your way!

## PRE-RACE TRAVEL

Several transport services are available depending on the distance you are participating in. Check out the distance information page or [Transport Information](#) for more details.

## POST-RACE TRAVEL

There are no chartered transport services post-event. Instead, athletes can travel on all regular Auckland Transport (AT) train and bus services citywide. Access to these services is INCLUDED in all athlete's entry fees, simply show your race bib to use any service in line with the AT public transport schedules (ferries are not included).

Included travel is available on 29 October 2023 from the start of daily services until 4pm on race-day. Due to rail network rebuild works, buses will replace trains on the Eastern train line between Manukau and Britomart, and on the Southern line Otahuhu to Papakura. Visit [at.govt/events](https://at.govt.nz/events) for more info.

Some regular AT services will be disrupted by the event. The Smales Farm station will be closed until 11.30am on race day, regular services will use an alternate stop.

Plan your journey in advance with [AT Journey Planner](#) (services will be updated 2-3 weeks out from the event).

## FINISH CHUTE

You did it! You crossed the finish line you've been chasing all morning, let the celebrations begin!

Here's our top tips to make the most of your finish line experience.

- SMILE! Our photographers will be waiting for you, so throw your arms up, pull out your best smile and live in the moment.
- Collect your well-deserved medal from our amazing volunteers.
- We know at this point you'll be ready to take a seat, but we highly recommend to keep walking, grab a banana, water, and PURE nutrition electrolytes.
- Reusable cups are used in recovery, please drop them in the crates when exiting. We recommend packing an empty bottle or cup to use outside of the finish chute.
- If you're waiting for a friend, exit the finish chute and cheer them over the line from outside. This keeps the finish chute free flowing and gives every athlete their moment on the finish line.
